Dear «First»:

It is with sincere regret that I inform you that you were not chosen to receive the Single Parent Scholarship for the Fall 2003 session. The number of applicants far exceeded the number of scholarships we can award this semester. In fact, fewer than half of those who applied will receive the scholarship.

I encourage you to contact one of the following people for information about other scholarships that may be available and general information about enrollment and financial aid. Please contact the person at your campus:

Pulaski Tech:	Sylvia Crockett	812-2226
UALR:	Barbara Silaski	569-3308
Baptist Schools:	Beth Nelson	202-7411
UAMS:	Paul Carter	686-5454
Philander Smith:	Gwen Jackson	370-5369

Employment and educational services are also offered at the Central Arkansas Workforce Center (where you submitted your SPSF application). Please call 376-4119 for more information.

You may also want to apply for a SPSF scholarship next semester. Applications will be due June 15. Applications will be available in April. Call our office for more information.

The committee sincerely hopes you will be able to continue your education and wishes you much luck in achieving your dreams.

Sincerely,

Ellen Ingram  
Director
