

SINGLE PARENT SCHOLARSHIP FUND
of Grant County

SCHOLARSHIP RECOGNITION OPPORTUNITY

Would you like to have a scholarship given in recognition of your business, church, civic organization or in memory of a loved one?

If your answer is **yes**, the Single Parent Scholarship Fund of Grant County (SPSF/GC) has the perfect opportunity for you. By simply giving a charitable contribution of \$250 or more to the SPSF/GC, your business, church, civic organization or loved one will be honored with special recognition at the fall award reception, in the local newspaper and other advertisements announcing the recipients of the scholarships. In addition, your \$250 gift will be matched by the Arkansas Single Parent Scholarship Fund so that your total scholarship award will be \$500, the amount of a semester scholarship for a full-time student. You will also receive a certificate of appreciation which can be hung in a notable place within your organization.

The mission of the SPSG/GC is to provide incentive scholarships to economically disadvantaged single parents who are pursuing a degree through post-secondary education in order to improve their job skills, become self-sufficient and improve the lives of their families. Since its inception in April 2006, the fund has awarded 18 scholarships to single parents attending UALR, PTU, SAU Tech and OTC - a total award of \$9,123. This scholarship recognition opportunity not only provides you special recognition for your organization or loved one, but helps to support a positive effort for underprivileged single parents and their children within our community. An effort that will also result in increased skilled workforce and economic development.
