

## THE SINGLE PARENT SCHOLARSHIP FUND OF OUACHITA COUNTY

Statistics show that a postsecondary education is one of the best weapons against poverty. The beneficiaries are not only scholarship recipients, but also their children and their communities.

The Single Parent Scholarship Fund of Ouachita County was officially reformed in March of 2005. The board is comprised of an energetic group of dedicated volunteers. Southern Arkansas University Tech Foundation serves as the fiscal agent.

Our purpose is to provide supplemental financial assistance to single parents in our county who are pursuing a course of instruction which will improve their income-earning potential. The scholarships are made possible by private donations. Scholarships may be used for tuition, books, utility bills, car maintenance, childcare, or other financial needs.

The Ouachita County Single Parent Scholarship Fund awarded seven scholarships in 2006 totaling \$3,000; fifteen scholarships in 2007 totaling \$7,500; ten scholarships in 2008 totaling \$5,000; and 33 scholarships in 2009 totaling \$16,500. We extend our gratitude and appreciation to business and community leaders, as well as private donors, who contribute to the success of the organization.
